* WordPress Tools: ACF (Advanced Custom Fields), Contact Form 7, Custom Post Types

* Testing: Manual Testing, Debugging, Troubleshooting

* Development Tools: Postman, Docker (Basic), UV Package Manager

* Operating Systems: Windows, Linux (Basic)

* Version Control: Git, GitHub

****Professional Experience:****

* ****Web Developer, Business Thrust Techsoft Pvt Ltd. (Nov 2024 - Present)****

- + Designed and developed multiple web applications using WordPress, Java, and Python
- + Utilized React.js and FastAPI to build scalable and high-performance frontend and backend systems
- + Implemented Generative AI-powered solutions to enhance user experience and drive business growth
- + Collaborated with cross-functional teams to identify and prioritize project requirements
- + Ensured timely delivery of projects, with a focus on quality and customer satisfaction

****Education:****

* **B.Tech (EIE), VBS Purvanchal University, Jaunpur (2018-2022)** *

****Projects:****

* **Personal AI Assistant (RAG Chatbot)** *

- + Built an AI chatbot using Retrieval-Augmented Generation (RAG) architecture
- + Implemented document upload and question-answering functionality
- + Utilized vector embeddings and semantic search to retrieve relevant information
- + Developed REST APIs for chatbot interaction

* **AI ATS Resume Builder** *

- + Developed an AI-powered resume builder using React.js, FastAPI, and Generative AI
- + Generated ATS-friendly resumes based on user input and job descriptions
- + Implemented AI-based content enhancement for professional summaries, skills, and experience sections
- + Integrated Google Gemini API for resume content generation

* **Custom WordPress Business Website** *

- + Designed and developed responsive WordPress websites with custom themes
- + Implemented Advanced Custom Fields (ACF), Contact Form 7, and custom post types
- + Created dynamic pages, blogs, services, and portfolio sections
- + Optimized website performance and mobile responsiveness

* **Exam Preparation AI Generator** *

- + Developed an AI-powered study assistant for generating exam notes and practice questions
- + Created an interactive user interface for content generation
- + Integrated AI APIs to generate study materials dynamically

* **ATM Audit Management System** *

- + Participated in ATM software auditing and operational verification processes
- + Performed software checks and compliance verification activities
- + Maintained audit reports and operational records

* **Portfolio Website**

- + Developed a personal portfolio website to showcase projects, skills, and certifications
- + Implemented responsive design and modern UI components
- + Integrated contact forms and social media links

Certifications:

* **Generative AI Certification, Robotics Sir Institute**

* **ReactJS Tutorial Certificate, Great Learning**

* **Mobile App Development Certification**

* **CCC (Course on Computer Concepts)**

* **Java Full Stack Development Training**

* **WordPress Development Training**

* **FastAPI & Python Development Training**

* **Generative AI & Prompt Engineering Workshop**
